Description

STEPS

- 1. Login as Admin
- 2. Select any page
- 3. Select a Listing section
- 4. No sort option available for Lists

- Form responses shall be exportable in standard formats such as CSV and Excel.

#### D. Listing Page Management

- There shall be a listing management module to create, publish and manage various types of listings through the administrative panel.
- Listing pages shall be categorized (e.g., News, Careers, Tenders, Notices, Circulars, Events, Announcements, Press Releases, etc.), and the categories shall be configurable through the admin panel.
- Administrators shall be able to create, edit, publish, unpublish listing items.
- Each listing item shall have a unique title.
- Each listing item shall support the upload and management of one attachment (PDF or Excel).
- The system shall support configurable publication start and end dates and times for each listing item.
- Listing items shall be manually activated or inactivated through the administrative panel.
- The system shall automatically inactivate or expire listing items based on the configured end date and time.
- Only active and published listing items shall be displayed on the public website.
- Inactivated, unpublished or expired listing items shall not be accessible through the public website.
- Active, inactive, scheduled and expired listing items shall be managed and displayed separately within the admin panel.
- Sort order of listing item could be managed through the admin panel
- The display order or priority of listing items shall be configurable through the administrative panel.
- Each listing item shall support multilingual content (English and Malayalam).
- SEO settings (Meta Title, Meta Description, Meta Keywords, etc.) shall be configurable

#### History

#1 - 2026-08-03 03:23 PM - Nithin Raj V V

- Status changed from New to Resolved

The following features were not included in the agreed development scope and were not discussed during the development phase. As these are additional requirements identified after implementation, they should be treated as future scope enhancements rather than pending deliverables for the current release.

#2 - 2026-08-05 11:00 AM - Nithin Raj V V

- Assignee changed from Nithin Raj V V to Anusha G

#3 - 2026-08-05 04:06 PM - Anusha G

- Status changed from Resolved to On Hold
- Assignee changed from Anusha G to Ancy A

Keeping the bug "On Hold" and assigning to developer
