

CMS - Bug #18393

No option to submit for approval or reject approval for pages in draft status

2026-08-03 03:22 PM - Anusha G

Status:	On Hold	Start date:	2026-08-03
Priority:	High	Due date:	
Assignee:	Ancy A	Estimated time:	0.00 hour
Category:		Spent time:	0.00 hour
Target version:		Reproducible:	
Affected Version:	1.0		

Description

No option to submit for approval or reject approval for pages in draft status

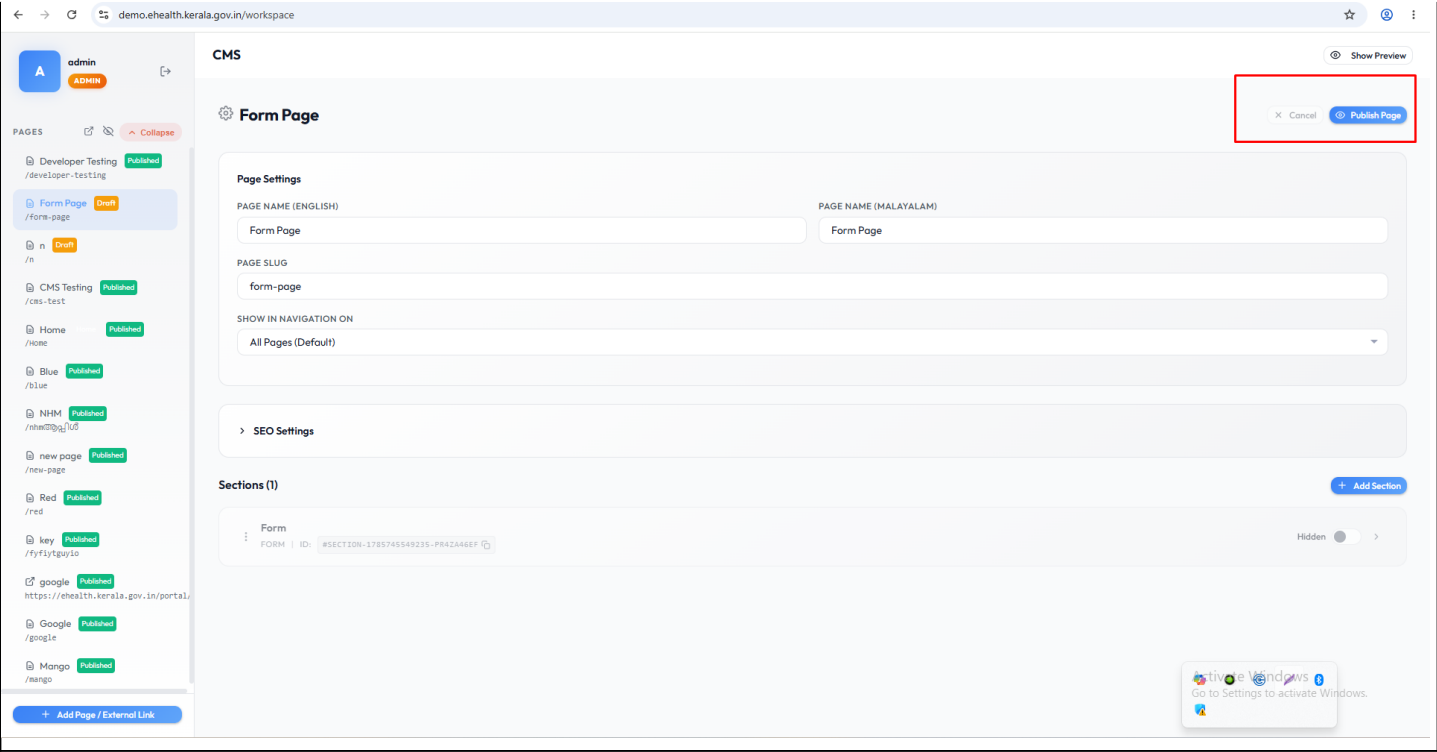

STEPS

1. Login as Admin
2. Select any page in Draft status
3. No option to indicate submit for approval or reject approval of a draft page

B. Page Builder

- Could be managed in multilingual
- Content, image, gallery, forms in the pages could be managed in the form of widgets
- Sorting of widgets could be managed
- Support rich text
- There shall be a structured content approval workflow whereby pages created by authorized content creators or editors are initially saved as drafts and submitted for review.

- The submitted pages prepare as draft, submitted for review, approved, rejected, published, scheduled, expired, archived
- Upon approval, the page shall be published immediately or scheduled for publication based on the configured publishing date and time.
- Until approval is granted, the page shall not be visible on the public website.
- Published pages shall be moved to inactivated stage based on the configured end date and time. Such pages shall be hidden from the public website
- SEO settings (Meta Title, Meta Description, Meta Keywords, etc.) shall be configurable for each listing item.

History

#1 - 2026-08-03 03:23 PM - Nithin Raj V V

- Status changed from New to Resolved

The following features were not included in the agreed development scope and were not discussed during the development phase. As these are additional requirements identified after implementation, they should be treated as future scope enhancements rather than pending deliverables for the current release.

#2 - 2026-08-05 11:00 AM - Nithin Raj V V

- Assignee changed from Nithin Raj V V to Anusha G

#3 - 2026-08-05 03:13 PM - Anusha G

- Status changed from Resolved to On Hold

- Assignee changed from Anusha G to Ancy A

Keeping the bug "On Hold" and assigning to developer
