Affected Version:	Workforce_v1.0.0		
Description			
Some departments are not listing in Dashboard tables in Drill-Down Tabs			
STEPS			
1. Login to Dashboard >> Workforce Management			
2. Go to Drill-Down Tabs and Select "District Tab" and "By Department"			
3. Verify Departments displayed in the table			
4. Select "Institution Tab" and "By Department"			
5. Verify Departments displayed in the table			
Like wise verify departments listed across dashboard			
Some departments are not getting listed in the tables.			
For example below departments in "Thiruvananthapuram" >> "District Model Hospital Peroorkada" are not getting displayed in tables			
• Lab Medicine Department • Endocrinology Department • New Public Health Department • Medical Neurology Department • Medical Oncology Department • Pharmacy Department • psychiatry Department • Transfusion Department • Respiratory Medicine Department • Nephrology Department			
But the employees are included in tile count and employee data is received in Search
