2.2 Page Composition

The Workforce Management page is composed of five functional zones, in order of appearance:

- Zone A — Page header and “In View” headline metric
- Zone B — Filter bar (Directorate, District, Institution category, Staff category, Designation, Department)
- Zone C — KPI summary tiles (Institutions, Doctors, Staff Nurses, Pharmacists, Lab Technicians, Other Staff)
- Zone D — Visual analytics (Staff mix donut chart; Directorate composition stacked bar chart)
- Zone E — Tabbed drill-down data tables (Directorate / District / Institution / Designation)

3. Stakeholders and User Roles

Role	Description
A new role can be created to view this proposed dashboard	Authenticated departmental user who can view the Workforce Management module end-to-end, apply filters, drill down, and export.

4. Functional Requirements

Functional requirements are grouped by the zone in which the corresponding capability was observed. Each requirement is stated in “the system shall...” form so this section can be used directly as a specification baseline.

4.4 Visual Analytics (Zone D)

ID	Requirement
FR-03	The system shall render a “Staff category” bar chart showing the number and percentage share of staff by category (e.g. Staff Nurse, Doctor, Pharmacist, Lab Technician)
FR-04	The system shall render a “Directorate composition” stacked bar chart showing total staff per directorate (DHS, DME, NHM), broken down by Doctors / Nurses / Pharmacists / Lab Tech / Other, with hover tooltips exposing exact counts per segment.

4.5 Drill-Down Tabs (Zone E)
